

MIŁOSZ LEWANDOWSKI

JUNIOR DEVELOPER

ABOUT ME

As a software developer I constantly work on gaining knowledge and skills in the field of programming and application design. My motto is that a sharp mind comes along with a healthy lifestyle. That is why I am both a sportsman and a developer. I am full of energy, always ready to face new challenges. I enjoy working with people. My ideal job is one that connects teamwork and challenging tasks. My working style: creativity and cooperation to meet the project goals.
